President's Message: April 2015

Hello Everyone,

The weather is just fabulous and certainly hoping that everyone is enjoying it.

First, I would like to take this opportunity to thank Earl Bradshaw for stepping up to Chair our test at Teal Lodge in May. This will be Earl's first time chairing a test and we are making sure he has plenty of mentors to help him out.

Still needed to help Earl are the following:

Head Marshal – this person would ensure calling and making sure we have sufficient workers on hand to help with the test.

Hospitality – this person would be responsible for purchasing the water and drinks for the coolers for the weekend and the items needed for lunches for Saturday/Sunday, getting the coolers ready to go out into the field for Saturday and Sunday AM. This person is also responsible for providing lunches for the workers on Saturday and Sunday and taking them out to the stakes around noon.

Left Hand Lake: We have signed the agreement with the landowner and put down our deposit. Cost is \$100 for membership. Membership application and map is available on our website and are also being provided as an attachment with the newsletter. The combination to get onto the property will be provided once your membership application and payment has been received. The first Sunday of each month will be a club-training day. First club training day will be May 3, 2015. Would need someone to chair the club-training day on May 3rd.

Please send your membership and payment in to:

CFRC
c/o Brian Cooke
16270 Great Rock Way
Brighton, CO 80603

Training Day: Sorry for the delay in our training day, we were waiting on the Thunder Guns to arrive so we could do training with them. They are arriving this week. Training day is schedule for April 19th at the Brady's ~ 9AM start. Flyer will follow with info.

Cheers and Happy Easter,
Gabriele
